US Naval Sea Cadet Corps Congratulates Hard Working Cadets

Santa Barbara, California –

LT Dawn Rademacher, Commanding Officer, AIRPAC Squadron, offers congratulations for the outstanding efforts and achievement of local Sea Cadets at the Annual Regional Sea Cadet Flagship Competition at Naval Base Ventura County Port Hueneme.

A small contingent of cadets from AIRPAC Squadron were escorted by ENS Louie Reyes, and Chief Petty Officer Joshua Rademacher, on a three day excursion aboard Naval Construction Battalion Center (CBC) Port Hueneme, California. Mother nature gave the cadets and officers an extra challenge with 60+ mph winds, but the cadets prevailed.

In the morning cadets competed in field events such as Stretcher Carry and First Aid, Firefighting, Semaphore, Knot Tying, Swimming and Line Heaving. Afternoon events included Regulation Drill, Exhibition Drill with and without Rifles, Color Guard, and Personnel Inspection.

The Cadets of AIRPAC Squadron competed in friendly competition against 21 other Sea Cadet units from the Pacific Southwest Region 11. I am proud to announce that the cadets placed in the following categories:

Third Place in Color Guard

Second Place in Personnel Inspection

Eighth Place Overall out of Twenty Three Units

Photos on next page

These cadets worked together as a team and assisted other units to be successful as well. They showed themselves to be exemplary members the Sea Cadet Corps and are to be commended for their efforts.

Bravo Zulu to you all!
